About the 2024 Area School Principals' Te Rau Titoki leave

Te Rau Titoki refers to the Titoki tree that flowers only in the spring. The seed is held on the tree for a year and then falls to the ground to become the Titoki tree. In that year on the tree the Titoki seed grows, matures and everything that is needed to be the Titoki tree is developed.

The purpose of the Te Rau Titoki leave is to enable Area School Principals to take time to focus on undertaking the community responsibilities outside of leading their school, that are integral to their principal role.

Te Rau Titoki leave allows tumuaki to take some time to be involved in some areas of leadership in the community.
