About the Secondary Principals' Sabbatical

Background

The Secondary Principals' Sabbatical was negotiated as one of the professional learning provisions for principals as part of the Secondary Principals' Collective Agreement (SPCA).

What is this award?

The purpose of this sabbatical is to provide a sustained period during a principal's career to engage in a balance of professional learning, reflection and rejuvenation.

The school receives relief funding in accordance with the relevant collective agreement, while the principal is on sabbatical.

What does the sabbatical provide?

The Secondary Principals' Sabbatical provides either ten, five or three school weeks' paid leave at the principal's normal salary. A ten-week sabbatical may be taken, with the school board/employer's approval, in one or two blocks. The blocks must be whole weeks in duration, with the minimum block being three weeks. Three-week and five-week sabbaticals cannot be split except by a term break, and must be taken as whole weeks.

The leave counts as service for most purposes.

Any salary increases or increments due during the sabbatical still apply, according to the provisions of the SPCA.

You can also apply for a reimbursement of costs clearly associated with your sabbatical to a maximum of \$5,000. See page 2 of the application guide for more details.

The purpose of the Secondary Principals' Sabbatical is to:

- aid retention and possibly recruitment of principals
- encourage and enable professional growth, by providing time for reflection and dedicated professional development
- promote collaboration within the profession.

How many sabbaticals are available each year?

Each year there are 40 paid full-time equivalent sabbaticals, each of 10 school weeks' duration, available to principals in state or state-integrated secondary schools covered by the SPCA.

Principals are able to apply for a ten-week sabbatical (which may be taken in two blocks), a five-week sabbatical or a three-week sabbatical. Note that this may result in sabbaticals being awarded to more than 40 secondary principals during one school year.

Eligibility criteria

To be eligible to apply for the Secondary Principals' Sabbatical, you must:

- be employed under the Secondary Principals' Collective Agreement or applicable Individual Employment Agreement (IEA)
- have at least five years' service as a secondary or area principal in a state or state-integrated school at the time of taking a sabbatical
- have the support of the school board/limited statutory manager or commissioner, including of any agreed reimbursement costs
- intend to continue a role in the education workforce.

How is my application assessed?

First, we will check that your application meets all of the eligibility criteria. A selection panel, made up of representatives from the Ministry of Education, the New Zealand School Trustees Association (NZSTA), the Post Primary Teachers' Association (PPTA) and the Secondary Principals' Association of New Zealand (SPANZ), will then assess your application on the following:

- Your proposal shows that the professional learning you're planning to complete during the sabbatical is in one or more of the approved professional learning activities' below.
- Your proposal is clear and shows:
 - clarity about the purpose and programme of work within the allocated timeframe
 - the benefits of such work for your students, yourself and your school
- Also taken into consideration:
 - any previous leave taken
 - for the three-week and five-week sabbaticals, consideration will also be given to the reason a principal is applying for a shorter sabbatical, the circumstances of the school, and professional activities relating to priority learner groups.

The selection panel will award the ten-week sabbaticals first and then the five and three-week sabbaticals will receive equal consideration. The selection panel may not award more than a total of 400 school weeks for sabbaticals in any school year.

The selection panel's role is to ensure that the selection process is open, fair, consistent and impartial, and that it provides for equal opportunity and non-discrimination.

Approved professional learning activities

The professional learning you're planning to complete during your sabbatical should be in one or more of the following approved fields:

- study
- research
- visiting schools
- visiting other institutions
- attending a course
- attending a conference.

Approval of sabbatical

Written confirmation from your employing school board/limited statutory manager is required confirming that, should an offer of a sabbatical be made, leave will be approved.

If you have not yet received support, you may still apply but will need to provide this information by **Tuesday 4 July 2023** (two weeks after the closing date). This must be sent to TeachNZ no later than this date or your application cannot be assessed. In the meantime you will need to explain why you have not included written confirmation with your application.

Application for provisional reimbursement of costs

The panel established to consider sabbatical applications will also consider any associated application for reimbursement of costs incurred by principals who are awarded a sabbatical.

Costs covered in an application for reimbursement (to a maximum of \$5,000 per individual) must clearly be associated with the proposal of work for a sabbatical.

Example of costings

Ref	Description of cost item	Approx cost \$NZ
1	Return flights to Sydney	\$650.00
2	Costs to attend 'Spiral' conference	\$360.00
3	Basic accommodation in Sydney for three nights for conference (no mini-bar)	\$420.00
4	Airport transfers	\$75.00
5	Meals (breakfast, lunch, dinner and snacks - no alcohol) if not included in room rate	\$275.00
6	Petrol for visiting schools and establishments in NZ	\$600.00
Total		\$2,380.00

The panel will reach a provisional decision - in accordance with agreed criteria developed by the parties and NZSTA - on the maximum amount that may be reimbursed to the applicant.

It is possible the amount of costs provisionally approved by the panel may be a portion only of the amount claimed by an applicant, depending on the merits of the sabbatical proposal and costs application.

Claim for reimbursement of costs

Any reimbursement will be subject to the panel's subsequent assessment of the documentation evidencing the costs incurred and the panel determining that the costs are both "actual" and "reasonable". In no case will a reimbursement exceed the amount that which was provisionally approved.

Any reimbursement finally approved by the panel will be paid out 4-6 weeks upon receiving relevant documentation evidencing the costs directly associated with the proposal of work for the sabbatical taken, incurred by the principal.

Please ensure that receipts clearly show the items, prices and dates paid. Scanned copies of original receipts will be accepted (in most cases).

The maximum available for reimbursement of costs associated with the sabbatical leave scheme for all successful applicants, in any one school year, is \$50,000. The full \$50,000 may not be allocated in any one year.

Expectations if awarded a sabbatical

If you are selected for a sabbatical, you must:

- Notify TeachNZ of any changes to information included on the application form, (e.g. your employment status, contact details, your proposal, or if you take up a new position).
- Undertake professional learning activities as stated in your proposal.
- Share the findings of your sabbatical with your employing Board

If you are awarded a sabbatical and decline the offer you can re-apply without prejudice in a subsequent year.

A sabbatical cannot be postponed to the next year. However, under exceptional circumstances the principal and school board/employer may postpone the leave to the first or second term of the following year, subject to notification and agreement from TeachNZ.
