Frequently asked questions

Qualifications and academic history

What documents are required as proof of my qualifications?

An A4-size certified photocopy of one of the following:

- NCEA results or other proof of university entrance
- official academic transcript (results)
- New Zealand Qualifications Authority (NZQA) assessment
- letter from a recognised New Zealand tertiary provider.

Your documented proof must include every year of study completed.

What if my academic transcript shows that I have failed some papers?

You may provide reasons for this if you wish.

What should I do if I have overseas qualifications?

You must have them assessed by NZQA before sending us your application. You can apply to get your overseas qualifications assessed at www.nzqa.govt.nz or by contacting NZQA on 0800 697 296. All papers must be translated into English.

NZQA will take several weeks to assess these.

What are equivalent qualifications?

Equivalent qualifications are ones that are considered to be on the same level within the NZQF. For example, New Zealand's National Certificate of Educational Achievement (NCEA) Level 2 is equivalent to Sixth Form Certificate.

What if I am currently completing a qualification or I have partially completed a qualification?

You can apply for a scholarship part-way through your study if you meet all the eligibility criteria listed in the guide and are applying for an ECE Māori and Pasifika Language Scholarship. If you are completing a qualification, you will need to provide evidence of this when you are applying for a scholarship (e.g. academic transcript).

What should I do if I have lost proof of my qualifications?

You will need to contact NZQA or your tertiary provider to request proof of your qualifications. Certified copies of your qualifications must be provided with your application.

Accepting a scholarship

If your scholarship is successful, we will email you a scholarship offer letter on Friday 13 April 2018 with an agreement setting out the terms and conditions of the scholarship. *Note: Your scholarship offer is subject to you gaining entry onto an approved qualification.*

Gather the appropriate document to include with your scholarship agreement. *This will include your signed agreement, NSN number, original or certified copies of bank evidence and IRD number.*

Get all of your photocopied documents certified. Take the copies and original to be sighted, and ensure all front pages are stamped and endorsed as true copies of the original.

Email or post your completed agreement documents to the Ministry of Education. *We will let you know by email that we have received your agreement documents.*

We will pay all eligible fees through StudyLink to your tertiary provider and any eligible allowances directly to you. *Note: Payments can take up to six weeks once all required documentation is received and your provider confirms enrolment with StudyLink.*

Course fees

Payment of course fees

Course fees are the compulsory fees charged by the tertiary provider for each paper in which you are enrolled plus compulsory student levies. Course fees do not include course-related costs such as stationery, books, computer equipment, or travel. You must pay course fees upon your enrolment, either personally or with a Student Loan. There are certain restrictions on who can apply for a student loan. For further information please contact StudyLink directly.

Course fees are paid for each year of full-time or part-time study for an approved teaching qualification. Fees are paid up to four full-time years for an ECE Undergraduate.

If you start your study year in the first semester and you receive an ECE scholarship, your course fees will be paid from Semester 1, 2018.

If you start your study year in the second semester (mid-year), and you receive an ECE scholarship, your course fees will be paid from Semester 2, 2018.

StudyLink manages the payment of fees and allowances (as applicable) on our behalf. When you receive a scholarship, StudyLink confirms with your tertiary provider that you are enrolled. StudyLink then pays your course fees directly to your tertiary provider.

You must pass at least half your papers each year to have your course fees paid by the scholarship the following year.

What should I do if my fees are due now?

You must arrange initial payment of your fees. Pay your fees personally or contact StudyLink to apply for a Student Loan to pay the fees. If you are granted a scholarship, StudyLink will make a payment to your tertiary provider who will then refund:

- you, if you paid the fees personally
- your Student Loan, if that is how you paid your fees.

The Ministry of Education is not responsible for your fees being paid by the due date.

If you are unable to pay your fees, you should apply for a Student Loan by contacting StudyLink on 0800 88 99 00.

Permanent residents and Australian citizens must have lived in New Zealand for at least three years and currently reside in New Zealand in order to be eligible for a Student Loan. Permanent residents also need to have held permanent residency status for at least three years. There are certain restrictions on who can apply for a student loan. For further information please contact StudyLink directly.

Allowances

An allowance of \$10,000 is paid in equal instalments over the period of study if you meet the eligibility criteria.

- Only full-time students or those granted limited full-time status by StudyLink are eligible for an allowance.
- Part-time students are not eligible for an allowance.
- If you are eligible for an allowance payment, we advise you to contact Inland Revenue to check whether your allowance payments will be tax exempt.

- If you currently receive financial support from government agencies (e.g. Work and Income or Housing New Zealand) this support may be affected by the TeachNZ scholarship allowance.
- Before accepting the scholarship we advise you to contact the government agencies that you receive support from to enquire if receiving the TeachNZ scholarship allowance would change or affect your financial eligibility.

To receive an allowance for each year of study, you must pass all of the papers you are enrolled in.

Eligibility

You must be studying full time (or have limited full-time status from StudyLink) to be eligible for an allowance. To be considered full time you must be enrolled in a programme of 32 weeks of full-time study, and study at least 80 percent or 0.8 EFTS (equivalent full-time student) within the academic year. One EFTS is usually considered to be a standard year of full-time study by most tertiary providers.

Credits awarded to you through cross-crediting or RPL (Recognition of Prior Learning) are not considered when assessing whether or not your study has been full time.

Check with your tertiary provider or us if you are not sure whether your study would be considered full time.

Students who have been granted limited full-time status for Student Loan (living costs) or Student Allowance purposes are also considered full time.

What does 'limited full-time status' mean?

Limited full-time status is applied by StudyLink to a Student Loan (living costs) or a Student Allowance when advice from your education provider to study less than full time is received. This may be because of illness or disability, or because you are finishing an approved qualification and to do this need to study less than full time, but more than half time. Find out more by contacting StudyLink on 0800 88 99 00.

Bond period

Teaching in New Zealand when you finish studying

If you receive an ECE scholarship, you are required to teach in a licensed New Zealand ECE centre or as a coordinator in a home-based ECE service for a stipulated time after you graduate. This is called a 'bond period'.

You must complete your bond period within a certain time after completing your teaching qualification.

For ECE Māori and Pasifika Languages Scholarships, the bond period is one year for each full time year a scholarship is received, unless you are in the final year of your study. In this case the bond period is two years. If your application is successful we will send you the Terms and Conditions of the Scholarship Agreement, which will outline your bond period.

If you do not complete your study or bond period you will be held liable for the repayment of fees and allowance payments you received from your TeachNZ scholarship.

What if I don't get a job when I graduate?

It is likely you will find a teaching position, however, it is your responsibility to apply for vacant positions wherever they are in New Zealand. If you do not get a job and do not teach for the required bond period, you must repay the fees and allowance payments (as applicable) received from your TeachNZ scholarship.

The Ministry of Education has a contracted recruiter to provide job find assistance to beginning teachers.
